After School Care Program – Pre-K to PYP 4

Welcome to the A S C P

After School Enrichment activities are available to students of all ages through Student Life programming. The Afterschool Care Program is the department for the youngest students of the school, where children from prep through fourth grade are enrolled for care and creative enrichment. The ASCP is a dedicated children's space where we experience learning, play, support and exploration in a collaborative environment.

The ASCP is dedicated to the well-being of each child in our care and works closely with the PYP teaching staff in order to

provide the best experience for our children. Our aim is to provide opportunities for discovery in a warm and comfortable setting where attention is on children's needs, ideas, interactions and awareness of their surroundings. We consider our program to be a stepping stone between home and school. By placing your child in the Care Program, you ensure a flexible routine and primary supervision in the hours before and after school, as your family needs demand.

As always, activities will be creatively based and self-expressive with a balance of imaginative play, visual art, crafts, drama, literature, sports and music. We are looking forward to a year of building a strong sense of community, filled with exploration and discovery.

Sincerely,

Chiara Gianì

Program

Building Community

Children are encouraged to consider the ASCP their own space, as a children's zone between school and home where they can build confidence in their own decision making and strengthen their relationships. We work enthusiastically to assist children in treating the ASCP as another type of 'home.' At 'home' we can relax, follow our own interests, study, create, play, but we do so in a 'family' where there are always the desires and feelings of other people to consider. At the ASCP adults and children cooperate to build a comfortable lifestyle with exciting experiences within a community atmosphere.

Activities

Activities are offered on a child-initiated basis, and set up according to the rooms in which they can be found. Activities are supervised by a staff member, but it is the child who chooses the way in which the activity evolves.

Workshops

Workshops are led by a leader and have a planned outcome. Children are given opportunity to go in depth with a topic and are exposed to new skills and ideas. Workshops run the full afternoon.

Holiday Enrichments Camps

In school holidays students have an option to enroll in extra Holiday camps, which provide interest and care. The Enrichments Camps operate for the following holidays:

October Break
February Break
Summer Break

Plan Options

- **Morning Club: Monday-Friday 7:30-8:15 AM (300 DKK)**
The Morning Club is open daily from 7:30-8:15 a.m. Students are welcome to have free play or eat a packed breakfast until the school doors open at 8:20 a.m.
- **Limited Afterschool Care (1 h.): Monday-Friday 2:00-3:00 PM (200 DKK)**
The Limited Plan is open to students who are able to be picked up before 3:00 p.m. each day. Limited ASCP students will not be able to join field trips and activities, due to time constraints.
- **Limited Afterschool Care (1.30 h.): Monday-Friday 2:00-3.30 PM (300 DKK)**
This Limited Plan option is reserved only to families who have other children studying at OEIS in MYP.
- **Full Afterschool Care: Monday-Friday 2:00-5:00 PM (800 DKK)**
Full ASCP students are welcome to join all ASCP activities and field trips, including Homework Club. Parents are welcome to pick up their child anytime during ASCP hours.
- **Morning Club and Limited Afterschool Care (500 DKK)**
Both morning care and limited care
- **Morning Club and Full ASP combined (1000 DKK)**
Both morning care and full care
- **Homework Club (no extra fee)**
Homework Club is available to all ASCP students Tuesday and Thursday from 3 p.m. The ASCP Teacher will be on hand to help students with any homework questions they may have. If you would like your child to participate in the Homework Club please check the space provided in the registration form.
- **Field Trips (no extra fee)**
Occasionally we will leave the OEIS campus for field trips. Field trips will be scheduled and announced in advance. In order to participate in field trips each student must have checked the space provided on the Registration Form.
- **Eligibility**
Registration takes place in the beginning of each school year. After the 1st of September, students may still join the ASCP starting on the following Monday. Changes of plan must be submitted at latest by the 15th of the month in order not to pay for the upcoming month.

IMPORTANT NOTES:

- ❖ No one will be allowed to pick up your child other than those listed on your child's ASCP information sheet. If someone other than those listed on the information sheet is coming to pick up your child you must call the ASCP.
- ❖ The ASCP closes at 5.00 p.m. All children must be collected and out of the building at that time.

Practical Information

ASCP Opening Hours

The ASCP runs from 2:00 – 5:00 p.m. Monday to Friday.

Daily Schedule

Time	Activity	Description
2.00-3.00	Snack and Check In	As children finish school, they come into the Canteen for the check in. They eat snack together and are introduced to the day's activities and workshops. If they need help finding an activity, they are assisted by their house mates and leader.
3.00- 4.30	Homework Club, Activities and Workshops	Children are given the opportunity to choose an activity or workshop. Staff assists, ensuring that all children are engaged, that the stations are not overburdened and that everyone gets a chance at what they want to do.
4.30-5.00	Day's End	Quiet wind down activities for the end of the day.
5.00	ASCP closed	All children collected, ASCP closes for the day.

Sign In/Out

Children enter at the ASCP reception and cross themselves IN on their Class Roster. There will be a staff member present to assist them.

When you collect your child, your child must officially be crossed out in the Class Roster at the Reception Desk. Signing in and out is a way to ensure safety for all children, and is very important for our ASCP security. Thank you for your assistance with the procedure.

IMPORTANT NOTE: If your child is present at school, but is not attending ASCP, please help them to inform the ASP Reception.

Collecting Your Child

Children may be picked up any time between 2:00 and 5:00pm. Please inform your child's leader that they are leaving and collect their belongings from their cubby. Make sure to set a cross in the out box at the reception desk.

IMPORTANT NOTE: No one will be allowed to pick up your child other than those listed on your child's ASP information sheet. If someone other than those listed on the information sheet is coming to pick up your child you must call the ASCP.

Closing Time

The ASCP closes at 5.00 p.m. All children must be collected and out of the building at that time. In the unfortunate event that something occurs and you must be late, please call the ASCP. We understand that this may happen occasionally, due to transportation difficulties. However, if you are late picking up your child more than 3 times in one month a fee of 200 DK will be charged to your account.

Cubbies, Clothing & Shoes

Each child will have their own cubby in the ASCP where they can store their personal belongings. We recommend each child have an extra pair of slippers or indoor shoes, as outdoor shoes are not allowed in the ASCP building. It is also a good idea to keep extra pair of pants, underwear and socks in your child's basket, especially in the wet season. Coats and bags are hung in the assigned place in the hallway, close to the cubby.

Illness or absence

If your child is ill or absent from school there is no need to call the ASCP as we will be informed by your child's classroom teacher. However, if you are picking your child up after school please stop by and let the staff at reception know they will not be attending ASCP for the day.

Snack

A healthy vegetarian snack of fresh fruit, vegetables, whole grains and yogurt or cheese will be provided each afternoon. If your child has any food allergies or special dietary needs please let the ASCP teacher know. At the ASCP we would like to encourage healthy eating habits, so each child can grow to meet their potential. Therefore, we are a Sugar Free Zone!

Grades 3-4: Special Permission for Upper Primary Sign Out

The upper primary years have the option to make two forms of special arrangements for sign out time from the ASCP. These arrangements are for grades 3-4 only. Grades Prep through 2 use the Standard Sign Out only.

In grades 3-4 parents can choose from three options for sign out procedure:

Independent Sign Out

Children are able to tell their House Leader that they are leaving, sign themselves out of the ASCP and go home. This ultimately means that families would make their own internal agreements on a daily basis, and the ASCP would not need daily contact with parents. With the choice of this option, children are more independent; however the family takes responsibility for the safety of the child once they leave the ASCP.

Agreed Sign Out

Parents contact the ASCP and inform us that their child may sign themselves out and go home on their own. This option has more adult control, and requires that the parent call our telephone line. Calls will not be accepted unless the parent and staff member have directly communicated over the ASCP phone. (In other words, the child cannot say 'my dad called and told me I can go home.' We have to talk to dad.) When the child is signed out of the ASCP, the family takes responsibility for the child's safety.

Standard Sign Out

Children must be signed out by an approved responsible person listed on the enrollment form. They are able to go with older siblings if the older sibling is listed as approved by the parents. This is the standard sign out procedure and will continue in grades 3-4 unless parents return this form
